Lifeguards win 4th Place at annual challenge

Alina Lianguert (18), Haley Dover (17), BJ Davis (17) and Chris West (19) Certified Lifeguards from the Beach & WaterPark at Lake Lanier Islands Resort took fourth place in the Ellis & Associates annual Southeast Regional Lifeguard Challenge. The challenge was held June 18th & 19th at the Daytona Lagoon Waterpark in Daytona Beach, Florida. This places the Lake Lanier Islands Resort team as the alternate to still go to the International Finals that will be held at Six Flags Great America in Gurnee, Illinois, August 1st and 2nd.

For over twenty years, Ellis & Associates has been providing a nationally-acclaimed, state-of-the-art signature lifeguard training program, accepted across the entire country, under the banner National Pool & Waterpark Lifeguard Training Program™. Over 95% of US waterparks currently use this program.

Lake Lanier Islands Beach & WaterPark has been practicing the Ellis & Associates Lifeguard protocols since 1989. To become certified, lifeguards must display maturity, pass a series of written and physical tests and complete a twenty-four hour course.

With over 200,000 visitors to the Beach & WaterPark each year, the park is well staffed with nearly 80 certified lifeguards and offers fun for the entire family. Have a splash all day with the exciting FunDunker®, an interactive water attraction; Wild Waves, Georgia's largest wave pool; and numerous waterslides. The all-new Kiddie Lagoon featuring Wiggle Waves are perfect for pint-sized guests! For those wanting to relax and soak up some rays, lounge around on the mile-long, sandy, white beach.
