Tranquility Spa Opens at Lake Lanier Islands Resort

"Rediscover tranquility", the resounding theme of the new Tranquility Spa at Lake Lanier Islands Resort. This high-end, sanctuary of pampering opens Saturday, July 28th at 9:00am, and is available to the guests of the resort as well as the local community.

Tranquility Spa's menu of services offers a spectrum of unprecedented treatments ranging from basic massage to stone therapy treatment, as well as European facials, aromatherapy body wraps, signature pedicures and manicures and more. Each state-of-the-art therapy is performed in exquisite treatment rooms under the care of highly trained professionals.

This luxurious spa will also feature highly sought after Jane Irladele Mineral Skin Care Makeup®, used by Plastic Surgeons all over the world for its ability to effectively treat and cover redness after laser resurfacing therapies. It also provides essential sun protection, while leaving the skin glowing and refreshed. Award-winning, innovative products from Académie Scientifique dé Beauté, composed of the purest, most concentrated and most efficient raw materials, will also be part of the essential line available at Tranquility Spa.

Tranquility Spa, open Monday through Sunday, welcomes Lake Lanier Islands Resort guests and members of the local community to enjoy individual treatments as well as complete packages that offer the ultimate experience in pampering.
